

## Student Declaration

Name: Sangqile Tang

SID: 500104440

I solemnly and sincerely declare to the University of Sydney that:

I hope this message finds you well. I am writing to formally request an opportunity to retake the exam held on 05/06/2024 due to unforeseen medical reasons stemming from a recurring sleep disorder, specifically insomnia. Despite my diligent preparation, the persistent effects of sleep deprivation significantly impacted my cognitive abilities during the exam. I fully understand the importance of assessments in measuring comprehension and academic progress, and I am committed to demonstrating my knowledge effectively. Your understanding and consideration in this matter would be greatly appreciated.

Due to my anxiety and depression recently, I have been experiencing severe insomnia and constant mental fatigue. This situation has greatly impacted my daily life and academic performance, preventing me from applying for special consideration within the designated timeframe. Because of these ongoing health issues, I am almost unable to manage any aspects of my life or studies including submitting my application on time. I kindly request the school to understand my circumstances and approve my late application.

Thank you for your support and understanding. And I make this declaration conscientiously believing its contents to be true.

I understand and agree that:

- (a) in accordance with the University's [Student Charter 2020](#), I am required to act honestly and ethically in all dealings with the University and members of its community;
- (b) the University may take steps to confirm the authenticity and accurateness of the contents of this declaration at any time during my candidature; and
- (c) knowingly making a false declaration will constitute student misconduct, and may result in the imposition of a penalty under the [University of Sydney \(Student Discipline\) Rule 2016](#), including the suspension or termination of my candidature, or my temporary exclusion or permanent expulsion from the University.
