

Request for Late Discontinuation from Unit JURD7161 - Miss Ruyi Wen

Dear UNSW Academic Board,

I am writing to formally request a late discontinuation from the unit JURD7161 for the current semester due to significant personal circumstances that have profoundly impacted my ability to continue with my studies effectively.

Since beginning my Master's program in Juris Doctor at your esteemed university, I have been dedicated to my academic pursuits. However, the sudden passing of my beloved grandfather in February 2024 has deeply affected me emotionally and mentally. His passing has created a considerable upheaval in my life, as he played a pivotal role in my upbringing and was a source of unwavering support and guidance.

In addition to coping with this profound loss, the adjustment to life in Australia and the challenges of academic rigor have presented additional hurdles. Despite my best efforts to manage these difficulties, they have significantly impacted my ability to focus on and excel in JURD7161.

I kindly request your understanding and consideration of my situation in reviewing this application for late discontinuation from JURD7161. I am committed to returning to my studies once I have addressed these personal challenges and am eager to continue progressing towards my academic goals.

Thank you for your attention to this matter. Should you require any further information or documentation to support my request, please do not hesitate to contact me.

Sincerely,

Ruyi Wen
